Profile

Visual and brand designer with 3+ years of experience in brand identity, event visuals, packaging and merch. I have worked in Almaty design studios and in-house at Beeline Kazakhstan. My identity system for the Tap-Tatti café and bakery chain is used across 42 locations. I use AI tools (ChatGPT, Gemini, Higgsfield, Seedance) to speed up concepts and mockups. Now based in Warsaw and studying Graphic Design at Vistula University.

Experience

Visual Designer — Beeline Kazakhstan (QazCode)

Apr 2026 – Present · Hybrid, now remote from Warsaw · qazcode.com

- Created the new graphic identity and brand visuals for QazCode and rolled them out across company materials.
- Contributed about 30% of the design work on the QazCode website, working with the UI/UX designer who led it.
- Designed PowerPoint presentations for conference speakers and internal teams.
- Worked in the design team for BeeTech Conf 2026 (Almaty, about 1,000 attendees): venue styling, speaker decks, stage and digital materials.
- Filmed social media stories as a Beeline ambassador.

Middle Brand & Graphic Designer — Kurmashev Studio, Almaty

Nov 2023 – Feb 2026

- Designed the brand identity system, packaging range, menus and print for the Tap-Tatti café and bakery chain; the system is used across 42 locations.

- Designed key visuals, the event design system and venue graphics for jinalike.fest in Bishkek (about 7,000 attendees) and Turkistan.
- Created the identity and posters for the jinalike.party series, and festival and crew merch (hoodies, T-shirts, badges, wristbands) prepared for print production.
- Designed logos and identities for iShkola, BBK Foundation, MOTT, Kazcoins, Torde and Japyraq; brand guidelines for Nasha Kuhnia and VIP PERSONAL.
- Designed show graphics and YouTube covers for CarPlay.
- Presented concepts to clients directly and used AI tools for concepts and mockups from 2025.
- Later continued working with jinalike directly as a freelancer on selected projects, including the jinalive.media identity, Instagram grid and covers.

Design Intern — Abay Omar Design Studio, Almaty

Aug – Sep 2023

- Built brand books and usage guidelines; prepared final logo files for client handoff.
- Designed event visuals for Sham Theatre productions.
- Prepared print-ready files (pre-press); designed YouTube covers and social posts.

Selected projects

- **Tap-Tatti** — identity, packaging and menus for a café and bakery chain, 42 locations. Case study
